

Laborers' Local 332

This Hall Is like A Second Home

By Tony Lewis

This Hall, it's like a second home

Mothers, Fathers, Sisters, Brothers
Cousins, husband, wives and lovers
Brotherly Love and Unity
Sisterly affection and Security

Brothers and sisters come and go
Traveling roads to and fro
Doing job that they know

Building Construction, PHA's
Convention Center, Night and Days

Member here enjoy each other
Providing to each other cover
Playing cards in the park
Many times after dark

Friends of Labor, Raising funds
Honoring others for what they've done
Political Action in the street
Electing friend, while foes we defeat

Emergency Relief, for members in need
While helping other, OUR own, we feed.
Sergeant of Arms, keeping guard
Increasing knowledge, raising funds
to send kids to college

Retirees who led the way

Come to share with us THEIR day
We will never forget their pain
From their sacrifices we have gained

Members are here week to week
Greeting each other
Cheek to cheek

We gather here to pay our dues
We gather here to plan our moves

We don't ALL always agree
But when the dust settles
We're still FAMILY

And our leaders, they make us proud
They walk among us, not in a cloud
Wise decisions
Protecting jurisdiction

We come here for work
We come here to dance
Some come because they need a second chance

We love this place
It's in our hearts
And even visitors feel a part

We thank God most of all
For bringing this combination to this hall
And we pray to Him today
That this hall will always be this way

For Us,
This hall is like a second home
